Summary: Creative and motivated product designer with experience in graphic design, social media marketing, and advertising. Seeking a challenging position that will allow me to utilize my artistic skills and design expertise.

**Education:**

- Bachelor of Product Design, Academy of Fine Arts in Sarajevo (2018-2022)

**Work Experience:**

- Freelance Graphic and Product Designer (2020-Present)
  - Collaborate with clients to develop branding and product designs, including logos, packaging, and promotional materials
  - Designed and developed a modern and unique foldable chair that allows the user to sit in different seating positions.
  - Designed and developed a creative accessory that functions as a purse in which you can also carry your pet.
  - Designed and developed a clothes hanger that has a purpose of saving space in the room.
  - Designed and developed a unique and aesthetically pleasing pill box for a healthcare company.
  - Designing and developing special desks intended for IT developers. The desks are fully adjustable according to the wishes of the user to ensure max comfort.
  - Designed and developed a Mercedes-themed scalper.
  - Collaborated with cross-functional teams, including engineers, marketers, and sales, to ensure the success of product launches
  - Utilize Adobe Creative Suite and other design software to create visually appealing graphics
  - Manage projects and communicate with clients to ensure satisfaction with final product

- Marketing Agency (2021-2023)
  - Created ad creatives for clients across various industries, including healthcare, fashion, and technology
  - Managed social media accounts for clients, increasing engagement and follower count
  - Collaborated with team members to develop comprehensive marketing strategies

**Skills:**

- Creative problem solver with a passion for design
- Knowledge of design principles, materials, and manufacturing processes
- Ability to balance creativity with business objectives
- Strong artistic skills, including drawing and painting
- Excellent communication and interpersonal skills
- Proficient in Adobe Creative Suite, Microsoft Office, and other design and productivity software
- Familiarity with social media marketing and advertising platforms

**Certification:**

- Bachelor of Product Design, Academy of Fine Arts in Sarajevo (2022)

**Awards and Accomplishments:**

- Honor Student, Academy of Fine Arts in Sarajevo
- Recipient of special awards given by the city mayor for outstanding academic achievement and contribution to the community
